

Human Identity Summit Part 12

Complete Identity

"Identity" is an expression used throughout social sciences to imply the specification of person, to deliberately appropriate certain identities to an individual. Like actors on a stage, we read a script, memorize it and then act it. Nowadays, few humans know their user friendly identity, acting out scripts with stories that have many ups, downs and confusions. Without straight talk, how can we possibly comprehend our strengths, gifts and talents or share them with the world.

We each share a basic identity available through the Four Mainstays. It will give us everything we need to lead a happy, fulfilled, well-educated life in which we can be of benefit to all. Wow! This is a promise society has never been able to make before. What a momentous event!

I have worked all my life to make this dream come true and with all my heart I thank you for supporting me along the way. I never would have made it without each of you. I have such deep gratitude, admiration and love for every single one of you and am thoroughly awed by your majesty and ability.

It is very important to support each other as much as we can to grow straight, stable, assured and of benefit to others. We have to allow for the

special smart people as much as we allow for those who are terribly challenged and need help of other kinds. The Balanced View and Great Freedom help us with all these things.

Each here-and-now has worth and a consistent, indestructible measure. Each here-and-now has an absolute and relative ethical value that carries over for all entities in each indivisible instantiation of appearance or sound.

For each entity who realizes the primordial predicament, there is no point from which to view and simultaneous fundamental comprehension of all viewpoints. To multiversal society and each entity everywhere, this most basic of identity descriptions and solutions freely grants lifetimes of dignity, natural ethical accord, seamless interactivity and interoperability, potent benefit-giving, incomprehensible understanding and okayness.

The potent immediacy of the discovery of the actual value and measure of each moment provides the exact technology we need and its complement of specific instruction sets which are applicable to specific individual tasks of each person and their treasury of strengths, gifts and talents. The Four Mainstays provisioning of unparalleled breakthroughs to human education and intelligence increasingly brings unimaginable power, innovation and creation to the advancement of society, continuously unfolding an increasingly beneficial, prosperous and generous society in the current era and into the distant future.

That we have this knowledge and an unerring map that shows us each of our infinite aspects unmistakably is a wish-fulfilling boon of exponential magnitude. The wish-fulfilling jewel includes all aspects and all of its aspects must be available for humans to thrive. This is not a casual matter.

The most magnificent powers of basic identity can only be comprehended and instinctively recognized in your own experience, nowhere else. Clarity is the great normalizer and equalizer of all experience and is the greatest good fortune.

In clarity society, we each are royally blessed, we have access to pith knowledge that can never be changed, moved or taken away. Freely open to everyone, our global society quickly and surely clarifies a global clarity society. There is no other choice that we can bear to ponder.

The Four Mainstays fundamental discovery has been made, detailed and recorded over decades, every nuance of its unveiling carefully recorded for all of posterity. Great Freedom and Balanced View provide the most supreme commando vehicle—Four Mainstays or Four Comforts—giving everyone everything that is needed to be empowered into beneficial society, along with an unerring surefire method of introduction that hits the mark potently, completely removing all states of uncertainty, suffering and doubt, an inconceivable advancement and one that has never before occurred or been

accomplished with precise fortitude and magnitude that would sweep the globe. Everything is in place, everything is given, without error or mistake. The Mainstays are an indestructible vehicle in which it is impossible to stray into even one idea of mistaken understanding.

The Four Mainstays will support you to join in here to be of greatest benefit and can show you how to build a strong community wherever you live.

While we are friendly and available all over the world, we also are a sophisticated worldwide corporation and organization pioneering internet technologies, telecommunications and science in many ways. We know how to take care of business and protect our organization for the benefit of all. This is one of our responsibilities.

As the atom was discovered along with its map of subatomic particles, the exact root structure of the fundamental identity of humans has been discovered, mapped, researched, applied and refined so as to bring absolute value to planet earth and its inhabitants. We are so very happy to offer this discovery. Now it is up to earth's inhabitants to put it into use, for it ensures complete accord among all inhabitants and the flourishing of all its life forms. It is simple as that.

Simply train up in the Four Mainstays instruction set to attain beneficial knowledge that will greatly impact prosperous, generous society. In this brilliant clarity perspective that contains and understands all points of view, there is inconceivable beneficial knowledge and activities. Ensuring mental and emotional stability, it instantaneously pours out a wealth of strengths, gifts and talents.

Training up clarity through the Four Mainstays is the only solid basis for human society building potent knowledge.

Everyone and everything, all phenomena of all kinds in all countless dimensions rest indivisibly in nature's intelligence which is expressed in clarity intelligence. Each moment of human intelligence is indelibly sealed by great perfection. The basis of human knowing and all actions is bound by this fundamental identity, intrinsic to everyone and everything.

Fundamental to all human knowledge is the crucial recognition of clarity intelligence—natural perfection—as the instinctive basis of all one's own experience. This knowledge is required for the transition that society is quickly making from an earth and body-based society to a multiversal information society.

Effortlessly fuelling the here-and-now, clarity intelligence is our complete identity and basis of each experience. The clarity of our own raw knowing gives vital evidence of natural perfection—alert and clear. This is the basic complete identity of human living that is the prime attractor. Raw clarity is

alert and clear. It knows with its own way of knowing. Clarity's own way of knowing clarifies all accumulated mistaken knowledge with tremendous ferocity and beneficial activity. Clarity's raw knowing has no escape. Its alert, clear knowing sees through all knowledge with alertness and clarity. It knows what is applicable to the current moment and what to set aside.

We need immediate benefit in human society and it can only come from instinctive recognition of clarity intelligence as the basis of all our experience. By the power of that instinctive knowing, we have the basis for creating truly beneficial knowledge.

Clarity intelligence is the uniform basis of ethics and culture which provides the most wondrous complexity as well as beneficial, prosperous and generous qualities and activities.
